ADDITIONAL INFORMATION

Please use this page to provide any additional information or diagrams concerning your hurricane contingency plan.

NOTES

The notes on the final page refer to some of the important terms of cover under your policy and are designed to assist you in completing the form. They are not intended to be exhaustive and if you are in doubt you should examine the policy wording or contact us for advice. By signing this form you confirm that you have read and understood the notes.

The signing by you of this proposal form does not bind us and/or the insurers to give a quotation or to accept a proposal form in respect of the vessel nor bind you to complete the insurance.

YOUR DUTY TO GIVE INFORMATION

When applying for or amending your insurance policy, we will ask a number of questions to assess the risk prior to agreeing cover. It is your duty to ensure that you answer all questions raised by us honestly and reasonably. These questions are designed to enable us to obtain a full picture of the nature of the risk to be insured, and only by asking such questions and receiving answers which are given honestly and with reasonable care, can we be in a position to offer terms which are designed to meet your demands and needs.

The reason why this is vital and extremely important is that if you fail to tell us something when asked, or, if you answer carelessly or act deliberately or recklessly in making misrepresentations when answering questions, your policy may leave you with no insurance protection; or insurers may not pay a part or all of your claim and may cancel your policy. You may find it difficult to rearrange cover because you did not tell an insurer everything when asked, and you will have to disclose this fact when you reapply for insurance. **Failure to answer questions honestly and reasonably when asked, may leave you with not cover and a claim not paid.**

DECLARATION

I/we understand that I/we have a duty to answer all questions raised honestly and reasonably and that all relevant information, including anything that has not specifically been asked within the proposal form that may influence us and/or the insurer in the acceptance of this insurance and the terms provided has been disclosed.

I/we also declare that if any information on this Disclosure has been written by another person on my/our behalf, that person acted as my/our agent for that purpose.

NOTES FOR GUIDANCE

DEFINITIONS (as used in this form)

<i>Hurricane Area*</i>	Means that region of the Caribbean/West Indies and USA being north of 9 degrees North and south of 35 degrees North.
<i>Guardianage Service</i>	Means you have entered into a contract with a person or organisation who will conduct regular checks of your boat whilst you are away from your boat for more than 7 days and in the event of a hurricane warning have a written hurricane contingency plan.
<i>Double Slipped</i>	Means that if the vessel is placed in a marina between pontoons or "stern to", arrangements are made to take up the space of two boats in order to allow the boat to move freely and with less damage in high winds
<i>Hurricane Period</i>	Means the period 1 June to 30 November, both dates inclusive

*** WE WILL REQUIRE THIS FORM TO BE COMPLETED IF YOUR VESSEL IS IN THE HURRICANE AREA AS DEFINED. THE ANSWERS YOU GIVE WILL DETERMINE IF WE CAN PROVIDE NAMED WINDSTORM COVER AND THE TERMS AND CONDITIONS THAT WILL APPLY.**

Please note that other word(s) and phrases in italics are defined in your Admiral Plain English Policy Wording.

IMPORTANT

This form must be completed if the *Vessel* will be at any time within the *Hurricane Area* during the period of insurance. All questions must be answered as instructed and the form signed and dated. A new form is required for each *Hurricane Period* and for each annual Period of Insurance regardless of whether circumstances have changed. The answers *you* give and the information *you* provide will determine whether *Named Windstorm* cover can be provided and if so the terms and conditions which will apply. This form together with *your* proposal form and the declaration you signed will form part of the legally binding contract between *us* the Insurer named on the schedule and *you* the Insured.

Coverage for Named Windstorms WILL NOT be provided until this form has been seen and agreed by Underwriters.
